

MUHAMMED KHALED ALSAYED

Tripoli – Libya | +218 92 7784849 | muhammedelshreef50@gmail.com
| github.com/MuhammedElshreef | My Portfolio (alsayed.netlify.app)

PERSONAL STATEMENT

A young inspired person who is looking to make a change for the community, interested in programming, open to learning everything about technology, specifically web fields with good knowledge in front-end development, and a fast self-learner. I believe in knowledge transfer and can easily collaborate and share knowledge with my colleagues and learn from them.

LANGUAGES

Arabic: Native language

English: Reading very good, writing good, Speaking fair
